Dues R Due

It is time for our annual club dues, you can renew in-person at our next Cruise-In or club meeting. You are also able to make payments by mail. These donations go to support our overall mission of supporting the Cumbee Center for Abused Persons. The club donated $2000 to Cumbee in December.

Cruise-In

It was a fabulous turn-out for our January Cruise-In with around 100 vehicles. The weather was great for a pleasant change and it was a great day. Unfortunately we were not able to conduct our normal 50-50 raffle to raise funds, hopefully next time. Our next Cruise-In is on February 4th from 2pm to 4pm. See Cruise-In Pics on Page 3.

Cumbee Center Update

Domestic Violence is the willful intimidation, physical assault, battery, sexual assault, and/or other abusive behavior perpetrated by one intimate partner against another. It is a pattern of behaviors that one person uses over another to gain power and control.

It can be classified into the emotional, mental and psychological, financial, sexual and physical types of abuse. The Cumbee Center empowers people to escape this in a variety of ways.

Monthly Meeting

Our monthly club meeting for February will be held on the 6th at the WingPlace in Aiken. Our club meetings are used to plan the various club activities throughout the year. Come out and help us review the last year and start planning our next event like our Spring Carshow.

All are welcome at our monthly meetings to share their thoughts and ideas on the direction of the club, and how we can better fulfill our mission of raising money for the Cumbee Center. Come on out to our next meeting! We eat at 6pm and talk club business aound 7pm.

Feedback

We are looking for feedback on our monthly cruise-ins! If you have any feedback on the cruise-ins we would like to hear it. What can we do to boost participation and enhance the experience for all involved? Would you like food truck, games, music, silent auctions, bake sale etc. Drop us a line!

Social Media Quotes:

- Has not run in 5 years ran when parked. New carpet needs floorpans. No motor or transmission. No title, bill of sale only.
- Car was crashed yesterday due to weather. Looking to sell the entire car for parts may be salvageable.

Aiken Horsepower Association is a club of auto aficionados and car connoisseurs that meet to converse with others about their accomplishments and catastrophes concerning their pride and joys. Aiken Horsepower Association is open to anyone who has the desire to be a part of a club that hosts monthly cruise-ins and occasional special events.

Our fun and friendship has the specific purpose of raising funds to support The Cumbee Center to Assist Abused Persons, a well deserving local charity. There are occasional focused drives to support emergent needs at the center and around the holidays.

We are truly a "Come As You Are" group you do not have to have a show car to show up. We want to foster relationships around our common interest: cars. Chances are one of our members has been there or done that and can share advice on your projects.

Idea?

If you have any ideas for the newsletter, club events, or how to better support the Cumbee Center we are all ears! Either come to one of our meetings or contact a club officer. We are looking for club members to spotlight in upcoming newsletters, contact Eric Johnson if you would like to volunteer.
