### **New Spring Carshow Date**

Due to a scheduling conflict our Annual Spring Carshow dubbed “Fellowship of the Spring” will be held on Saturday April 15th from 9am to 3pm.

### **New Cruise-In Location**

Due to the Home Depot reconfiguring their parking lot our March Cruise-In will be held in the Petco/Pop Shelf parking lots. We look forward to seeing you there on March 4th from 2 to 4 pm. This is a time that we can catch up with each other, raise funds for the Cumbee Center, and collect items of need for the community on a whole. Come on out to our next Cruise-In and show us what you are working on. There is no cost to park your vehicle in our Cruise-In.

Unfortunately we were not able to conduct our normal 50-50 raffle to raise funds, hopefully next time. See Cruise-In Pics on Page 3.

## **Cumbee Center Update**

Case management services are comprehensive, tangible and goal-directed.

Case managers work with each survivor to provide them with an individual plan to obtain needed services, to develop short-term and long-term resources, safety plans, and to help connect and coordinate services from multiple service providers.

## Monthly Meeting

Our monthly club meeting for March will be held on the 6th at the Aiken Brewing Company in Aiken. Our club meetings are used to plan the various club activities throughout the year. Come out and help us review the last year and start planning our next event like our Spring Carshow.

All are welcome at our monthly meetings to share their thoughts and ideas on the direction of the club, and how we can better fulfill our mission of raising money for the Cumbee Center. Come on out to our next meeting! We eat at 6pm and talk club business around 7pm.

## Feedback

We are looking for feedback on our monthly cruise-ins! If you have any feedback on the cruise-ins we would like to hear it. What can we do to boost participation and enhance the experience for all involved? Would you like food truck, games, music, silent auctions, bake sale etc. Drop us a line!

Aiken Horsepower Association is a club of auto aficionados and car connoisseurs that meet to converse with others about their accomplishments and catastrophes concerning their pride and joys. Aiken Horsepower Association is open to anyone who has the desire to be a part of a club that hosts monthly cruise-ins and occasional special events.

Our fun and friendship has the specific purpose of raising funds to support The Cumbee Center to Assist Abused Persons, a well deserving local charity. There are occasional focused drives to support emergent needs at the center and around the holidays.

We are truly a "Come As You Are" group you do not have to have a show car to show up. We want to foster relationships around our common interest: cars. Chances are one of our members has been there or done that and can share advice on your projects.

# Idea?

If you have any ideas for the newsletter, club events, or how to better support the Cumbee Center we are all ears! Either come to one of our meetings or contact a club officer. We are looking for club members to spotlight in upcoming newsletters, contact Eric Johnson if you would like to volunteer.
