### **Cruise-In**

Our Cruise-in at the Home Depot in December allowed us to collect toys for those in need. Thanks to all that brought a toy to support our annual toy drive. Although it has been rainy these last couple of months for our cruise-ins we still had several members enjoyed the day. Looking forward to seeing you all at our next Cruise-In on January 7th from 2pm to 4pm. See Cruise-In Pics on Page 3.

## **Cumbee Center Update**

For 20 years the Aiken Horsepower Club has had the mission to support the Cumbee Center for Abused Persons. Our help enables the Cumbee Center support and empower domestic violence and sexual violence victims and their families by providing services, reducing the tolerance of abuse, and advocating for social change.

We get to share our passion for horsepower and help those in need while doing it, a true win-win situation.

## **Announcements!**

- ♦ Cruise-In Jan 7th
- ♦ Club Meeting  
Jan 9th @ Shane's Rib Shack

# Headliners *(continued)*

## Monthly Meeting

Our monthly club meeting for January will be held on the 9th at Shanes Rib Shack in Aiken. Our club meetings are used to plan the various club activities throughout the year. Come out and help us review the last year and start planning our next event like the Spring Fling.

All are welcome at our monthly meetings to share their thoughts and ideas on the direction of the club, and how we can better fulfill our mission of raising money for the Cumbee Center. Come on out to our next meeting! We eat at 6pm and talk club business around 7pm.

## Party

Last month our club president Pat hosted a Christmas Party for the club. It was a great time with several activities such as white elephant gift exchange, pot luck dinner and a small show with a special "major award". There was lot's of good food and even better company, hope to see you at our next event.

## Feedback

We are looking for feedback on our monthly cruise-ins! If you have any feedback on the cruise-ins we would like to hear it. What can we do to boost participation and enhance the experience for all involved? Would you like food truck, games, music, silent auctions, bake sale etc. Drop us a line!

### Social Media Quotes:

- 1970 Dodge Super Bee Shell Rare Post Car. No motor or transmission. No title, GA bill of sale only.
- Project car, no title. 302 engine, turns but doesn't start. Needs total restoration. I don't deal on phone or computer.

Aiken Horsepower Association is a club of auto aficionados and car connoisseurs that meet to converse with others about their accomplishments and catastrophes concerning their pride and joys. Aiken Horsepower Association is open to anyone who has the desire to be a part of a club that hosts monthly cruise-ins and occasional special events.

Our fun and friendship has the specific purpose of raising funds to support The Cumbee Center to Assist Abused Persons, a well deserving local charity. There are occasional focused drives to support emergent needs at the center and around the holidays.

We are truly a "Come As You Are" group you do not have to have a show car to show up. We want to foster relationships around our common interest: cars. Chances are one of our members has been there or done that and can share advice on your projects.

# Idea?

If you have any ideas for the newsletter, club events, or how to better support the Cumbee Center we are all ears! Either come to one of our meetings or contact a club officer. We are looking for club members to spotlight in upcoming newsletters, contact Eric Johnson if you would like to volunteer.
